PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a co-operating public.

Yet, despite all this, there still persists a disturbing note.

58%, or 6 out of every 10 fires in 1959 were caused by

careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple—

1. Before burning, secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles—use your ash tray.
5. Don't burn at home—Use your town dump and save yourself much possible difficulty, both personal and financial.

ENGINEERS REPORT OF THE SUNAPEE FIRE DEPARTMENT, 1959

In 1959 the Fire Department answered Fourteen Alarm calls and Eight still alarms, with Two out-of-town fires.

Our fire losses were not too great as most fires were covered by insurance.

Our apparatus is in very good condition.

We added some 2½" and 1½" hose this year, also a new reel and nozzle.

We wish to thank the Townspeople and Summer Residents for their cooperation.

ABBOTT LIBRARY REPORT

Year Ending December 31, 1959

This year has seen increased use of our library both by our year-round and summer residents.

In January the adult fiction section was weeded and many out-dated and worn books were discarded. This work was done with the advice and assistance of Charles Maurer, State Extension Librarian from Keene.

New books have been added to the shelves as follows:

	Adult fiction	Non- fiction	Youth & Children
Purchases	15	12	23
Gifts	79	53	29
State Aid Grant		22	
State Library, Concord		17	

Books were given to the Library by: Mrs. Eunice Gamsby, Mrs. Arthur Osborne, Mrs. S. Gilroy Chandler, Charles Hill, Cleon Dodge, Mrs. Robert Meyers, Mrs. Guy Alexander, Mrs. Jane Neilson, Mrs. Elwin Nutting, Mr. Willbur Cross, Mrs. Lois Keating, and the Sunapee Woman's Club. The State Aid Grant was for books in the amount of \$75.00 as an addition to the \$150.00 grant they gave us last year.

Magazines were donated to the library by: Mrs. Harriet Stocker, Farrell Quinlan, Mrs. Guy Alexander, Mrs. Raymond Hudson and Mrs. Robert Osborne.

Paintings hung in the library this year were loaned by Mrs. Robert Hill of Sunapee and Mr. Kenneth Andler of Newport.

Books borrowed from the State Library Extension Service through the Bookmobile:

122 Adult fiction; 134 Non-fiction; 321 Youth and Childrens.

Books borrowed from the State Library in Concord:

408 Non-fiction.

Our library had Open House the evening of April 17th in observance of National Library Week. In addition to

book displays there were also displays of work done by our local 4-H Club and Boy Scout Troop. A special Open House and food sale was held August 7th by the Friends of the Library and a fund started to buy a movie projector for the library so that we may have a full program of children's films. There were free movies shown the first Saturday of each month from January through May. These were obtained through the State Library from the Audio-Visual Service of the University of New Hampshire.

There have been 39 class visits to the Library and bus students and High School students have been given Library privileges during school hours.

I have attended Library meetings at Bradford April 10th and September 28th and in Claremont April 20th with members of the Board of Trustees and the assistant librarian Mrs. Mary Eastman.

My sincere appreciation to the Trustees, Mrs. Harriet Stocker, Mrs. Guy Alexander and Mr. William C. Lary for their assistance and cooperation.

Respectfully submitted,

MABEL S. DAVIES, Librarian

In October the N. H. T. B. Mobile Unit visited Sunapee at the library. Mrs. Mabel Davies, the librarian, assisted in this project.

The school census was completed in September with registration of all persons born before Sept. 1st to the age of 19 years.

A new audiometer to test hearing was obtained with funds raised through the efforts of Mrs. Hattie Gamsby of Lake Grange Home Economics Committee and supplemented by a donation from Claremont Quota Club.

The Sunapee Women's Club again sponsored the dental clinic. The work was done this year by Dr. Chris Armen of Newport.

The Lions' Club, Women of the Moose and the Salvation Army also aided our health program.

I wish to thank Dr. John Walker, all organizations, the town officials and members of the Lake Sunapee Nursing Association for their interest and cooperation in the health program.

Respectfully submitted,

ANNUAL REPORT 1959-60

The members of the School Board have worked with the School Expansion Committee throughout the year in an effort to determine the most critical needs of the Sunapee Central School, and to plan for construction of classrooms and/or other school buildings to meet these needs.

School enrollment, 1959-60:

Elementary - 184

High School - 63

Teaching Staff, 1959-60:

Elementary 7

High School:

Full-time - 7

Part-time - 3

One new teaching position (high school) was added this year: a full-time Mathematics position. This allows a full-time Mathematics teacher to teach all the Mathematics courses and a full-time Science teacher to teach the Science courses. The Home Economics teaching position was changed from a full-time position to a half-time position. There were not enough students taking all the Home Economics courses to require a full-time teacher.

The addition of a Physical Education teacher has been considered but this position is not included in the Budget for the coming year, 1960-61.

SUNAPEE SCHOOL EXPANSION COMMITTEE

The School Expansion Committee was organized according to the motion made, seconded and voted in the affirmative at the Annual School District Meeting, March 10, 1959. The motion read as follows:

"The School Board and a committee of four, appointed by the School Board and to include at least one Selectman, shall consider the possibilities of expansion of the Sunapee School Plant. Such plans are to be submitted at a Special Meeting or at the next regular School District Meeting."

Members of this committee (in addition to the School Board, the Superintendent of Schools, and the Principal were:

Clyde C. Colcord
Howard M. Pratt
William Roach
Richard H. Webb

This committee has held meetings on the following dates: April 27, 1959; May 26, 1959; June 22, 1959; June 30, 1959; July 6, 1959; July 21, 1959; August 10, 1959; August 31, 1959; October 19, 1959; December 14, 1959; January 25 1960; and February 11, 1960.

A Public Meeting for general discussion of tentative plans was held on September 29, 1959. A Special School District Meeting was held on October 13, 1959.

Discussion of classroom needs, equipment needs and necessary instruction has been supplemented by reports from the Superintendent, the Principal and the Teachers.

Committee members have reviewed plans for classrooms, Science instruction and equipment, Library requirements and have inspected buildings built recently for school and town purposes. Buildings at Bow and at Kingston, New Hampshire, were especially considered.

Additions to the present gymnasium-auditorium were considered as follows:

1. Extend the west and north walls a sufficient distance

to construct a standard size basketball court. (This would make it necessary to move the house now maintained as a home for the school Principal.)

2. Construct an addition on the east side of the present building using a part of the present east wall for one wall of the new building, and cutting the present bank to allow a two-level structure.

Both of these, plus other possibilities considered, were found to be too expensive and not entirely satisfactory for meeting school and community needs.

Plans now being considered:

Classrooms: Addition to present School Plant. Construct a 2nd floor above the present 1st and 2nd Grade classrooms. This would include one elementary classroom and one Science laboratory plus toilet facilities and Science storage space.

Estimated Cost — \$55,000.00.

Gymnasium-Auditorium: A seperate building to be constructed on land adjoining the Central School if possible.

Estimated Cost — \$145,000.00.

RUTH P. JOHNSON

Secretary School Expansion Com.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Sunapee:

I submit herewith my eleventh annual report as Superintendent of Schools.

Enrollment

The enrollment for the School Year 1959-60 is 247 divided as follows:

Elementary Grades (1-8)	- 184
Senior High (9-12)	- 63

If funds are voted for the proposed addition to the Central School, an additional elementary room would become available. This would provide eight elementary classrooms; thereby making it possible to operate single grades. Such a set-up has long been desired by many parents.

High School Staff

The high school staff has been expanded to provide one member for the Science courses and one for most of the Mathematics courses. This was made possible by the curtailment of the Home Economics program. (The Home Economics position has become part-time.) Small enrollments in high school Home Economics courses over a number of years brought about this decision. It still is possible for a girl to elect a Home Economics course in each of her four years of high school.

The importance of sound training in the Science and Math courses dictates that faculty members should be well grounded in their respective fields. It is not fair to the student—who will meet stiff competition upon leaving high school—to have to assign faculty members to courses in which they have only minimum training requirements.

Educational TV

We have started to take advantage of course offerings from Channel 11—the educational station at the University of New Hampshire. Work in elementary Science in some grades and the course in New Hampshire History for Grade 4 have been the areas of participation to date. It is well to keep in mind that educational TV is a supplement—not a substitute—for the regular teacher.

Improvements

The major items of improvements include:

- Painting the Auditorium
- Sanding and re-finishing the floor of the Auditorium
- Replacing light fixtures in the lower corridor and the basements
- New back drops for the Stage

National Defense Education Act of 1958

We are taking advantage of the matching Federal funds under Title III of this Act for the purchasing of special materials.

Some of the items include:

- Double Beam Trip Balance
- Voltmeters
- Ammeters
- Metal Force Board
- Model of Human Torso, with head
- Set of Sympathetic Forks
- Elementary Science Filmstrip
- Portable Blower Unit
- High Frequency Generator

The 1960-61 Budget includes additional funds to be used with Title III Federal funds. The total cost of the requests this year was much greater than the funds available.

Conclusion

This is a year of decision for the voters of the Sunapee School District. You will be called upon to act on building proposals that will set the school pattern for many years. Your considered judgment is needed on this vital issue.

Respectfully submitted,

GORDON B. FLINT

Superintendent of Schools

REPORT OF HELPING TEACHER

In this brief report of services rendered, I wish to express my sincere appreciation to the superintendent, principal, and teachers for their continued encouragement and cooperation toward the fulfillment of various responsibilities including (1) the educational growth and development of children, (2) needs of some exceptional children, (3) special resources or materials for classroom use, and (4) the consultant services on various phases of the school curriculum.

CLASSROOM VISITS and conferences with teachers have made it possible to share the educational atmosphere of the classroom. In this respect, there is every indication that the teachers are genuinely concerned with and conscientiously seeking to meet the varied needs of all pupils in their charge.

RESOURCES AND MATERIALS are made available where needed and where specific requests are made. This would include such items as references, special texts, workbooks, filmstrips, reading lists, and other instructional aids.

CURRICULUM IMPROVEMENTS have been attempted through (1) the added emphasis of science at all grade levels, (2) the adoption of a new language series, eventually to be extended to all elementary grades, (3) the use of educational T.V. in strengthening the study of New Hampshire in grade 4 and science in grade 3.

THE TESTING PROGRAM, as in other years, includes (a) achievement tests at all grade levels (1-12); (b) mental ability tests in grades 1, 4, and 7; (c) provision for clinical referrals where requested or necessary; (d) individual tests as needs and requests arise. This year, having completed the necessary qualifications for the administration of the Stanford-Binet Scale (an individual test of I. Q.), it is expected that an increased use of this service will add considerably toward the educational guidance of pupils.

MEETINGS AND CONFERENCES, whether a staff meeting, an informal chat with a teacher, a conference with a parent or group of parents, are all aimed at providing the best education for all.

REPORT OF THE PRINCIPAL

Superintendent Gordon B. Flint
Newport,
New Hampshire

Dear Mr. Flint:

Commencement Exercises for Sunapee High School were held on June 17, 1959. There were seventeen graduates: Albert Bailey, Dorothy Bannister, Robert Billings, Chester Cheney, Perry Click, Patricia Collins, Kendall Flint, Lois Gould, Joanne Gagnon, Kieran J. Hackett III, Charlotte Hamel, Carol Kancer, Larry Merrifield, Lee Phillips, Allen Pochelon, Harriet Reed, and Eric Richardson.

Recipients of prizes and awards were as follows:

Babe Ruth Award	Lois Gould, Robert Billings
Daughter of American Revolution Citizenship Certificate	Harriet Reed
Josten Citizenship Medallion	Lois Gould
Sunapee Fire Department Sports Award	Robert Billings
Alumni Scholarship Award	Patricia Collins
Murvin A. Bailey Award	Harriet Reed
John U. & Della M. Emerson Scholarship	Lois Gould

Two members of the class are attending the University of New Hampshire. One member is attending each of the following post-secondary schools: Jackson (Tufts) College, Keene Teachers College, Plymouth Teachers College, Colby Junior College, Concord Commercial College, New Hampshire Technical Institute and Thompson School of Practical Nursing, Brattleboro, Vermont. Three are in the Marines and one each in the Navy and Air Force. Two are married and are living and working locally and one is working in Claremont.

I note with great pleasure the addition of the Emerson Scholarship Fund of approximately \$250 per year and the Alumni Scholarship Loan Fund of \$100 per year to be awarded to Seniors for post-secondary education. These financial aids are certainly appreciated by our graduates.

Successful banquets were held by the Fire Department and Women's Club for upper-grade boys and girls.

An instrumental group has been established primarily for the elementary grades and is proving very successful.

Again, through you, I urge the parents and friends of the school to visit us. There is no substitute for a personal visit.

Respectfully submitted,

DAVID W. SHERBURNE

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School District of Sunapee qualified to vote in District affairs:

You are hereby notified to meet at the I. O. O. F. Hall in said District on Tuesday, the eighth day of March, 1960, at one-thirty o'clock in the afternoon to act upon the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Member of the School Board for the ensuing three years.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To choose one or more Auditors and such other Officers and Agents as the voters may judge necessary.

Article 6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

Article 7. To see if the District will vote to raise and appropriate \$115,834.50 as recommended by the School Board in its annual report, for the support of schools, for the salaries of District Officers, and for the payment of the statutory obligations of the District; and to authorize the application against said appropriation of such sums as are estimated to be received from state sources, together with other income estimated at \$4,774.00, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town.

Article 8. To see if the District will elect to approve of the inclusion of its officers and employees (other than those eligible under the Teachers Retirement System) in the Employees' Retirement System of the State of New Hampshire, which system is provided for by Chapter 27-A of the Revised Laws, as inserted by Chapter 183 of the Laws of 1945,

and as provided by Chapter 201 of the Laws of 1945, and any subsequent amendments thereto.

Article 9. To see if the District will authorize the appropriation of \$55,000.00, or any other sum, to be raised by borrowing or otherwise, for the purpose of designing, constructing and equipping an addition to the Sunapee Central School.

Article 10 To see if the District will vote to raise and appropriate \$13350.00, to cover additional expenses of a teacher's salary, principal and interest payments, and equipment for the addition to the Central School, and authorize the application against said appropriation of \$1,800.00 estimated to be received from state sources.

Article 11. To see if the District will authorize the appropriation of \$145,000.00, or any other sum, to be raised by borrowing or otherwise, for the purpose of designing, acquiring land for, constructing and equipping a Gymnasium-Auditorium building.

Article 12. To see if the District will vote to raise and appropriate \$20,800.00 to cover additional expenses of principal and interest payments, equipment and operation for the Gymnasium-Auditorium building, and authorize the application against said appropriation of \$3,000.00 estimated to be received from state sources.

Article 13. To transact any other business that may legally come before said meeting.

Given under our hands this 15th day of February, nineteen hundred and sixty.
